YOU MUST CHOOSE A NEW LOCAL AND LONG-DISTANCE TELEPHONE SERVICE PROVIDER

Dear Valued Comcast Customer,

Thank you for being a valued Comcast Digital Phone customer. This letter is to inform you that Comcast is changing its telephone service offerings. Effective on April 29th, 2008 or shortly after April 29th, 2008 Comcast no longer will be providing its current Digital Phone service in your town.

Your action is required! Since Comcast will discontinue all Digital Phone service in your town as of April 29th, 2008, you need to select a new provider of local telephone service. You also must select a new long distance provider if you use Comcast Digital Phone for your long distance service. We are confident you'll agree that Comcast Digital Voice is a simple and easy solution to your local, in-state and long distance calling needs. **Make the easy switch to Comcast Digital Voice** and start enjoying direct-dialed unlimited calling and the unique benefits of Comcast's service offerings today. You may transfer your current service to Digital Voice service today by calling Comcast toll free at **1-800-704-6091**.

You continue to have a choice for local and long distance phone service and you are free to select a new provider of your choice.

A list of alternative service providers may be found in the front of your local telephone directory. If you currently have your local service, but not your long distance service with Comcast Digital Phone and if you do not intend to select Comcast Digital Voice as your new provider of both local and long distance service, you should contact your current long distance provider to see whether your selection of a new provider of local service will affect your long distance services and rates.

We urge you to act quickly to select Comcast Digital Voice or another new service provider in order to retain active phone service.

The discontinuance of your Comcast Digital Phone service is subject to regulatory approval by the Federal Communications Commission (FCC). The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the \$63.71 Application of Comcast Phone of Massachusetts, Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
